

# Home Comparison Sheet

Welcome to one of the most exciting times of your life! Looking at homes is rarely a “one and done” process, and sometimes it gets difficult remembering which home had which feature. We encourage you to take photos of each home and in addition, we created this Home Comparison Sheet to help in the process. Ranking each feature on a scale of 1-5 helps narrow down your choices.

	Home #1	Home #2	Home #3	Home #4	Home #5
Address					
Location					
School District					
# of bedrooms					
# of bathrooms					
Size/sq. ft.					
Yard					
Acreage					
Age of home					
# of Floors					
Storage					
Fits lifestyle
